INFORMATION SHEET

If you've attended Symphony by the Sea for Students before, welcome back! If this is your first time to register for the program, we're excited to have you join us. Symphony by the Sea for Students is a unique field trip opportunity combining arts and science education through a partnership of the Oklahoma Aquarium and the Tulsa Symphony Orchestra. Students travel to three stations in the Aquarium to learn about a particular animal or habitat and a selected musical ensemble. For example, sharks and strings. Kids learn about sharks and then have the opportunity to hear string musicians perform in front of the shark tank! The general program outline is as follows, but may be modified as needed:

9:45 – 10:00 – Group arrival and check-in
10:00 – 10:10 – Welcome and orientation
10:10 – 10:15 – Groups move to first station
10:15 – 10:35 – Groups at first station
10:35 – 10:40 – Groups rotate to second station
10:40 – 11:00 – Groups at second station
11:00 – 11:05 – Groups rotate to third station
11:05 – 11:25 – Groups at third station
11:25 – 11:30 – All groups move to Great Hall
11:30 – Closing comments, lunch and free time

*****Please note, lunch has been provided through donors before, but will not be available this year. You must bring your own sack lunches and drinks.**

**INFORMATION SHEET AND
RESERVATION FORM 2012**

Please read the information sheet carefully and retain for your reference. Please complete the reservation form and mail, fax or e-mail to:
